

**Dothan Powersports** prides itself on being a good community citizen. While we recognize that there are many causes worthy of our support, by focusing our resources in one area we feel our impact is greater.

**Dothan Powersports** will try to respond to your contribution request if we can identify with the effort or the cause. Our decision will not be based upon whether our own self-interest will be helped by responding or hurt by not responding.

We ask the following questions:

- 1. Is your organization or event clearly non-profit or charitable? If not, we consider you to be a customer and we thank you for your patronage.
- 2. Is your request coming from an organization which will improve the educational, cultural, or civic vitality of the Wiregrass?
